

SEND RELIEF MISSION TRIPS

SOCIAL MEDIA KIT FOR CHURCHES

Thank you for partnering with Send Relief to mobilize your church for mission trips.

In addition to mission trip opportunities worldwide, Send Relief Ministry Centers serve on the front lines of suffering, meeting tangible needs and creating pathways for gospel conversations. When your church steps into these cities, you join faithful local churches in sustained, compassionate ministry that points people to Jesus.

These trips are more than service projects. They are opportunities to humbly meet needs in Jesus' name.
