

IT'S ALL ABOUT THE *Gospel*

Evangelism IS AT THE CORE OF EVERYTHING WE DO

Your church wants to impact its community, the nation and the world for Christ, and NAMB's Evangelism team is here to help.

TRAINING AND EQUIPPING

Creating a culture of evangelism in your church will equip and encourage church members to more actively share their faith. We have a variety of easy-to-use resources for pastors and other church leaders to help raise up confident disciples who will intentionally share the gospel.

REFRESH RETREATS

Ministry couples walk a rewarding yet challenging road. Our Refresh Retreats provide encouragement and strength as you continue to advance the gospel across North America.

NEXT GEN EVANGELISM

Our Next Gen Evangelism team is here to help your student ministry team with resources, training, and coaching as they share Christ with young people and equip them to impact the world with their faith.

namb.net/Evangelism

Each year, Send Network partners with churches to send missionaries across North America to engage communities with the gospel, make disciples, and plant churches.

CHURCHES PLANTING CHURCHES

We help churches just like yours take their next step in church multiplication. Here are a few opportunities:

Become a Supporting Church – Every church can support a church plant by praying, commissioning short-term teams, or providing for their needs. These are three essentials for church planting to be fruitful. There are needs and opportunities across North America to serve as a Supporting Church.

Attend a Sending Lab – If your church is interested in learning more about being a Sending Church and developing a church planting culture, attending one of our Sending Labs is a great next step. This interactive, collaborative workshop helps churches design a unique vision for sending and learn practical steps to plant churches.

Serve a Church Plant Near a Military Community – There is a tremendous need for military members and their families to discover the hope of the gospel. By serving a church plant in a military community, your church can be part of making disciples who will travel the world with the good news.

Send
Relief

Every day, millions of people worldwide are struggling. Through Send Relief, a cooperative effort between NAMB and the International Mission Board, you can connect with people in need.

PARTICIPATE IN SERVE TOUR

Send Relief has identified communities' most pressing needs so members of your church can participate in a short-term mission opportunity, serving a community and sharing Christ in the process. Serve Tour leverages partnerships between local churches, Baptist associations, state Baptist conventions and Send Relief to bring needed resources and manpower.

SERVE AT A SEND RELIEF MINISTRY CENTER

Step away from your everyday to bring practical help and lasting hope. We offer well-organized mission trips to our ministry centers in North America and cities around the world. Housing and mission trip details are handled by our team so your volunteers can focus solely on ministry and serving. It's a great way for church members to stretch their faith and come home with an even greater vision for how your church can be a light for the gospel in your community and beyond.

TRAIN FOR MINISTRY

Be the hands and feet of Jesus. We can help get you started. Helpful courses with compassion ministry experts will empower you and your church to respond to disasters, embrace refugees, fight human trafficking, meet basic needs, and show love to local children in foster care. Each course is available online and can be completed at your own pace.

Meet needs and change lives with compassion ministry at SendRelief.org

SBC Chaplaincy

From battlefields to hospitals, from prison cells to corporate boardrooms, Southern Baptist chaplains bring the hope of the gospel. The North American Mission Board endorses and provides professional development and support for thousands of chaplains in North America and beyond.

Chaplains often have access to people and places that most pastors are not able to reach. Each year, Southern Baptist chaplains share the gospel with thousands of people and baptize thousands as well.

If you or a member of your church is sensing the call to chaplaincy, contact us for more details and we can help you get started on this ministry journey.

You can also invite an SBC-endorsed chaplain to speak at your church on chaplaincy ministry.

Identify SBC chaplains in your area at missionaries.namb.net and send them notes of encouragement.

Explore opportunities to become an endorsed SBC chaplain at namb.net/Chaplaincy

THE MISSION FIELD

The North American Mission Board helps churches like yours reach the lost in the United States, Canada and Puerto Rico.

That's...

378 million people

350 languages

97 unreached people groups

Statistics from U.S. Census Bureau and The Joshua Project

MAKE AN IMPACT ALL OVER NORTH AMERICA

Missionaries and ministries throughout the continent are funded by the gifts of churches just like yours. By giving to the Annie Armstrong Easter Offering®, you are planting new churches in unreached communities and meeting pressing physical needs in Jesus' name.

You can also generously support these efforts through the Cooperative Program and by giving to specific ministry areas. Each source of support plays a vital role in sharing the gospel in the United States and Canada.

**FUELED
by ANNIE**
ANNIE ARMSTRONG EASTER OFFERING®

100%

of your gifts to the Annie Armstrong Easter Offering support thousands of missionaries in church planting and compassion ministries.

Give through your church or online
