

What is a Multiplying Church?

Every church can help plant churches.

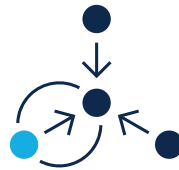

Whether your church is new to church planting or you have planted dozens of churches, we want to help you take your next step.

Multiplying Churches develop and send church planters and teams from your church.

MULTIPLYING CHURCHES...

- Do everything a Sending Church would do (take responsibility for a church plant by sending them and helping ensure they get the preparation, coaching and care they need).
- Establish a process for discovering planters (identifying those who might have a call to church planting and helping them consider the call).
- Establish a process for developing planters (taking those who respond to a potential call and helping them develop).
- Send a planter out from your church (at least once every three years).
