GIVE GIFTS THAT MATTER

I'm excited to share this Gift Catalog with you because it's filled with opportunities to meet urgent physical needs in the name of Jesus.

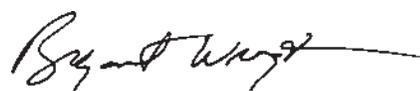

Today, in the regions where Send Relief works, many families are barely getting by. Communities are being devastated by drought, war and violence. Crops, livestock and livelihoods have been destroyed. And those who are most vulnerable—children and the elderly—are suffering greatly.

Many items throughout this Gift Catalog will help meet urgent needs. Others will provide long-term solutions so people can overcome poverty. Choose a goat, crisis relief meals, a sewing machine or even a well to provide fresh water. You'll make a life-changing impact on people in need in the U.S. and around the world.

As our Send Relief ministry partners meet physical needs, we seek to also meet spiritual needs by sharing the Good News of Jesus Christ.

As you browse through this catalog looking for gifts to give, you can use it as a prayer guide. Please pray for the men, women and children who will benefit from the items on each page. I hope you will also prayerfully ask God what He would have you give today. Thank you.

In Christ,

P.S. Because operational expenses have been covered, 100% of your gift goes to meet physical needs and share the hope of Jesus.

3 Ways

TO USE THIS CATALOG

Encourage others to join you in being the hands and feet of Jesus to hurting people.

1 Grow your faith together as a family

When your family chooses gifts to make a difference for families in need, you will all be blessed. It's a great opportunity to deepen your faith together as you talk about which gifts to give and pray for each person who will receive them.

2 Create group giving opportunities

Challenge your Sunday school class or Bible study group to provide gifts from this catalog and also pray for the people who will receive them. Brainstorm creative ways to raise money—like bake sales, car washes and collecting loose change. Consider a friendly competition to see who can raise the most money to give gifts to men, women and children facing hunger and poverty.

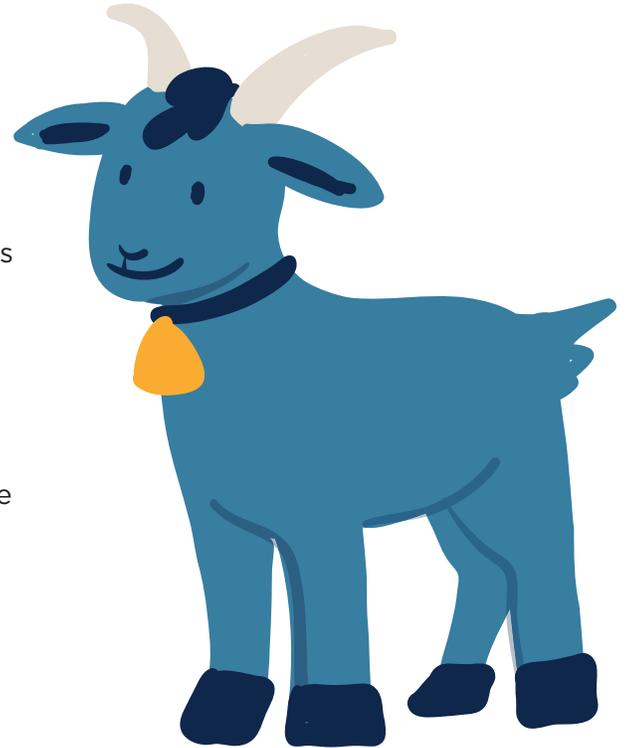

3 Share Gift Catalogs to involve others

You can order free copies of the catalog by visiting SendRelief.org/CatalogOrder. Pass them along to friends, neighbors and family members to encourage them to join you in making a difference for people around the world.

When you choose items from this Gift Catalog, you'll make a life-changing difference for people around the world.

MEET YOUR GUIDE: *Gus the Goat*

“WE THANK GOD FOR THE SOYBEAN PROJECT”

Soybeans made a significant difference for communities in West Africa that were struggling with hunger. It started with a project to teach pastors' wives, who were students at a local Christian college, how to cultivate and prepare soybeans. Once they graduated, students were gifted soybeans and returned to their communities to teach others.

Meeting physical needs gave them the opportunity to share the gospel.

One participant said, “We thank God for the soybean project. It is helping us with mission work in the village. When we organized the training, we also invited women of other faiths in the community. **We had four Muslim women attend. We are now friends, and we are sharing the love of Christ with them.**”

Cows and other animals can help families moo-ve from hunger to feeling full. The next time you eat eggs or drink a glass of milk, will you pray for other families to be able to do the same?

Clean Water

CHANGES EVERYTHING

CLEAN WATER BRINGS HEALTH AND HOPE TO 10,000 PEOPLE

The people in a village in Central Asia did not have a consistent water supply for drinking and household activities. They had to buy unclean water to fill up storage tanks in their homes. The cost was difficult to maintain, and the water was dangerous to drink. The financial strain placed even greater pressure on families who were already struggling.

The recent completion of a Send Relief water project gives approximately 10,000 people access to clean drinking water! The community now has a system that distributes water through spigots along major streets as well as at the school, giving access to clean water for 1,000 students.

In addition, though people in this region have been uninterested in hearing the Good News, this water project has created multiple opportunities to share the love of Jesus. Please pray for open hearts and the chance to continue gospel-centered conversations.

When you hold up a glass of water, you can see through it. But in many parts of the world, the water is dirty and dangerous to drink. You can help change that for children and families with the gifts shown here!

Most popular gift!

Families like Zeba's receive welcome baskets when they first arrive in the U.S. Based on their needs, they might also receive a food box or help with rent and groceries. (See Resettle a Refugee Family on the next page).

A SIMPLE GIFT THAT SAVES LIVES—AND MAKES IT POSSIBLE TO SHARE THE GOSPEL

Thailand is experiencing a severe outbreak of Dengue Fever. There has been a spike in serious cases and even some deaths. This mosquito-borne illness can be especially problematic for children, who often have weaker immune systems.

A Send Relief project provided mosquito nets to an estimated 3,000 people. They were distributed through local churches to highly affected areas. These are communities with few Christians.

Through this project, our team built relationships with the village leaders and villagers that made it possible to share the gospel with them. **Twelve people have accepted Christ so far!** Below are two great gifts you can give to make a difference.

FEEDING THE BODY AND THE SPIRIT OF HUNGRY KIDS

Last year, Send Relief hosted a girls' summer camp at our ministry center in Valdosta, Georgia. Thirty-eight girls ages 8-12 who are in foster care, at risk of homelessness or have a parent who is a migrant worker attended.

They received three nourishing meals each day and got to spend time just being kids. That included time with horses, learning about teamwork and about God's love. **A couple of the girls began asking questions about faith after this, and staff members shared the gospel with them.** Because of the faithfulness of Send Relief missionaries, several families also heard the Good News and committed their lives to Christ. Please pray for lasting relationships and more opportunities to share the gospel.

SUPPORT SMALL Business

STITCHING TOGETHER FOR A BRIGHTER FUTURE

In South Africa, a sewing class brought together 60 women who are refugees from different backgrounds to learn a marketable skill so they can provide for their families. Not only did they learn to sew—they also studied the Bible together and built friendships. **And seven women accepted Jesus as their Savior and Lord!**

As they graduated, starter sewing machines were given—each one to be shared by two students. One student, a mother from Malawi with a heart and talent to sew, started her own small business. She did so well that she was able to buy her own sewing machine, eventually rent a small shop and begin teaching more women how to sew.

Many of our students around the world dream of opening tailoring or sewing businesses—they just need the opportunity to learn! You can help provide sewing machines for job skills programs.

FIGHT Human Trafficking

A FRESH START FOR A SCARED YOUNG WOMAN

After grappling with addiction and constantly finding herself in unsafe, compromising situations, 16-year-old Leah, found hope. She found a mentor through the Las Vegas Ministry Center. This mentor poured into Leah and offered support on her addiction and recovery journey.

Through this, Leah was able to see what a healthy, trusting relationship looked like and was consistently shown the love of Christ. **Leah learned that she is worth fighting for and that her life has a purpose.** She fought to get sober and is still taking active steps to live a restored life.

Because of your gifts, many men and women hear the Good News of Jesus Christ through our Las Vegas Ministry Center. You can make a difference for someone in need at a critical time with the gifts shown here.

You probably have a backpack of your own. When you give one to someone in need, you can provide a fresh start!
