

# GIFT CATALOG

## PRINTABLE CARDS

### How to Use

The Send Relief Gift Catalog is a great tool to teach members of all ages the value of generosity and the importance of meeting physical needs in the name of Jesus.

Use these printable cards to promote giving to the Send Relief Gift Catalog. Print each page and cut out each individual item. Tie a ribbon through the hole to display them on a wall, Christmas tree, bulletin board, or other prominent area in your church or home. You might choose to print more than one copy of each item.

Ask families or small groups to sponsor an item by selecting a card from the wall. Then, they will use the QR code on the card to read more information, give a gift, and pray for the person who will receive it.

If you have questions, reach out to our team at [\*\*giving@sendrelief.org\*\*](mailto:giving@sendrelief.org).
